

why do we need DONOR EGG NETWORK?

We provide the most comprehensive pull-through process available for Egg Donors, which allows your staff to devote their time to communication and tasks for cycles in progress. donoreggnetwork.com

WHAT IF...

Donor does not qualify; do we pay anything?
Donor cycles, do we owe anything else?
Donor qualifies, but we do not wish to proceed?

Donor is accepted but is MIA before we match?

No... you owe nothing for Donors you do not accept.
No... Donors are yours. We will sign a “non-poaching” agreement if desired.
We will do our best to find the Donor a cycle elsewhere as we understand that non-CDC clinic criteria varies. We wish for every Donor willing to provide this invaluable opportunity to donate.
DEN will send an introductory email. Once the Donor responds, she is in your clinic's capable hands.

WHO...

Pays for Donor Pre-Screening Evaluations?
For AFC, too?

Donor Egg Network pays for Pre-Screening.
Yes, DEN hopes to contract for a discounted rate for AFC.

WHAT...

Reports will we receive?

You will receive Donor Intake, Phase Qualification, and Fallout Disposition.

WHEN...

Will we receive reports?

Yes, you will receive Quarterly Reports with an Annual Summary.

WILL...

Donor's ancestry report put her at risk for being identified?

Not at all. We have selected a program that does not disclose family member relationships—aside from famous person relationship!

We have access to additional Donors vetted through Donor Egg Network?

Yes! Through our relationships, your clinic/egg bank will have preferential selection and pricing for Donors available through our clinic network... AND... you will be paid for Donors you choose to provide to our Donor Community Database. You can add and remove Donors as you please.

Donor consent to recipient family relationship?

Her choice. We will inquire and confirm consent, if agreeable.

WHERE...

Are pre-screening evaluations performed?

Evaluations are contracted through respected and widely utilized companies.

HOW...

Will we receive access to records and pre-screening results?

All results can be viewed through our Donor Egg Network Provider portal. Upon completion of pre-screening evaluations, DEN will provide completed profile and reports for review and approval.

Do we receive Donor disposition reports?

Yes! We have a systematic process and will provide Quarterly Reports with an Annual Summary.

Long will it take to pull-through a Donor?

Pull-through takes approximately 6 – 12 weeks.
